VCS – Positive Performance Ratings on the KLAS 2011 Mid-Term Performance Review

The mid-term ratings are published in the “2011 Mid-Term Performance Review: Software & Professional Services” report, and the results are showing a positive start to the 2011 year for Vitalize Consulting Solutions, Inc.

After landing in the #4 overall spot on the 2010 “Top 20 Best in KLAS Awards: Software & Professional Services” (©2011 KLAS Enterprises, LLC. All rights reserved.) report, VCS makes a strong showing for the first half of 2011 on the Mid-Term Performance Review. With an average score of 88.62 for its five (5) service areas, VCS is mostly green for overall status with a positive 6-Month Trend outlook.

The Clinical Implementation Supportive and Planning & Assessment categories both scored *at least* 6 points above the market average. The Technical Service category has been scored between 3 and 6 points above the market average, and The Clinical Implementation Principal and Staff Augmentation categories both scored within three points of market average.

Bruce Cerullo, VCS, CEO, said, “We were pleased to see our clients once again rated us consistently strong on the Mid-Term Performance Review. It was also reinforcing to see our positive rating in categories new to us as a result of our recent acquisition of Validus Consulting. These results exemplify what the VCS team is all about; striving to bring the highest quality and affordable solutions to the HIT sector. Stay tuned for more quality growth and service diversification to come!”
